ABOUT OUR VENUE

For 25 years, Cary's Koka Booth Amphitheatre has been an iconic landmark, hosting over 1,300 events and welcoming 4 million visitors. KBA is a vibrant outdoor shed playing host to some of the biggest touring shows in the country. National acts such as Alison Krauss, Billy Strings, Chris Stapleton, Sheryl Crow, and more have performed under the stars. In addition to national acts, the venue is the summer home to the NC Symphony Summerfest Series.

Nestled in a grove of stately pines KBA is like no other venue. Hosting over sixty events between the months of April – January, KBA promotes a variety of events including food festivals, and large-scale community events like the Hum Sub Diwali Festival, Oktoberfest, and July 4th celebrations. The venue has received wide acclaim for the annual NC Chinese Lantern Festival which utilizes the entire grounds of the venue with amazing silk sculptures from November – January.
